3. In what ways do you love the world more than God?
4. When you receive correction from others, whether parents, friends, or anyone else?
5. Do you value the feedback of the man or woman you spend your life with? Are you grateful they share their concerns?
6. How is it possible to cultivate an atmosphere in the home where there is comfort speaking the truth in love?

8. When you set your heart on a certain object or course in life, how do you handle opposing views?
