

# Growing in Grace: Discussion of Marriage (8)

---

*“The two shall become one flesh.”*

1. Would you classify it “easy” or “difficult” to give yourself to your spouse?
2. Would you say it would be possible to restrain your sexual desires out of love for Christ and your mate? If your spouse desires more or less sexual union than you, how do you plan to handle it?
3. If need be, share the sexual sins that you have committed in the past that you believe are important to share. Repent and leave them at the cross.
4. If need be, bring to light any sexual sins you are presently walking in now.
5. In what ways might the sexual sins from your past impact your marriage in the future?
6. Share any past contact with pornography and how it affects you today.
7. What wise safeguards can you place around your marriage when it comes to pornography?
8. Have you experienced sexual abuse in the past?
9. In what ways do you believe this might have an adverse effect on you now?
